Docket No. 98N-1265 '99 APR 20 NO :29
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

I have really benefited from
compounded drugs and would be
really upset if I was no longer
able to obtain them. Please do not
take this option away from me.
Thank you.
